

Segura, A. M., Calliari, D., Fort, H. and Lan, B. L.  
2013. Fat tails in marine microbial population  
fluctuations. – *Oikos* 000: 000–000.

## Appendix 1

Figure A1. Observed probability density of the  $r_s$  fluctuations and fitted Levy-stable and Gaussian densities for particular species ( $n > 150$ ). Species names corresponding to the alphabet codes are given in Table 1 in the main text.
